

Products & Platforms Cookie Notice

Introduction

- 1.1 dunnhumby Products & Platforms are owned and operated by dunnhumby Limited ("dunnhumby", "we", "us" or "our").
- 1.2 Our Cookie Notice explains:
 - 1.2.1 how we use cookies and similar technologies ("cookies") to recognise you when you visit and use our Products & Platforms, listed in Annex 1; and
 - 1.2.2 the cookies we use, why we use them and how you can control our use of cookies.
- 1.3 This Cookie Notice does not apply to:
 - 1.3.1 information about consumers who purchase products or services from dunnhumby clients. Any information provided to our clients through our Products & Platforms is provided in aggregate form only and does not identify individual consumers;
 - 1.3.2 information about consumers who purchase products or services from Walmart. See the [Walmart Privacy Policy](#) for information on how Walmart collects, uses, and shares your personal data when you purchase products or services from them.

What are cookies?

Overview

- 2.1 Cookies are small text files which are placed and stored on your computer, mobile or other device when you first visit our Products & Platforms. We use cookies to help our Products & Platforms work effectively and efficiently.
- 2.2 We also use a technology similar to cookies called LocalStorage to provide you with 'tour' functionality and remember your selected language preference when using our Products & Platforms. LocalStorage is an industry-standard technology that allows information to be stored locally on your computer, mobile device, or other device.
- 2.3 For the purposes of this notice, the term 'cookies' also refers to LocalStorage.

Types of cookies

3.1 Source of cookies

- **First party cookies** – cookies we set on our Products & Platforms.
- **Third party cookies** – cookies set by other companies (including, our group companies) on our Products & Platforms.

3.2 Categories of cookies

- **Strictly necessary cookies** – cookies that are essential for operation, and your use, of our Products & Platforms.
- **Functionality cookies** – cookies that help us to recognise you and improve the functionality of our Products & Platforms.
- **Analytical cookies** – cookies that collect information about your use of our Products & Platforms and monitor the performance of our Products & Platforms to help us improve performance; the services we provide to you through our Products & Platforms and your experience of using it.

3.2 Duration of cookies

- **Session cookies** – cookies that start working when you access our Products & Platforms and stop when you log-out.
- **Persistent cookies** – cookies that remain stored on your device for a defined period of time and are deleted automatically once they expire, or earlier if you delete them manually.

How to control and delete cookies

5.1 You can control and delete cookies as follows:

- You can manage your cookie preferences at any time through the cookie management section within our Products and Platforms. This allows you to review, enable, or disable non-essential cookies.
- You can also delete cookies that have already been stored using your device or your internet browser settings ([Google Chrome](#), [Microsoft Edge](#) and [Mozilla Firefox](#)).
- You can also use the settings in your internet browser to delete cookies which have already been set, for example by clearing your browser cache;

Where we are required to obtain your consent to store non-essential cookies on your device, we will request this consent. If you do not consent, we will not use those non-essential cookies in that jurisdiction.

5.1 Please note that some of our Products & Platforms functionality may not be available to you if you restrict or disable cookies.

Changes to this Cookie Notice

If you have any queries about this Cookie Notice or the way we use cookies please contact our Data Protection Officer via:

- Email: individualrights@dunnhumby.com; or
- Post: FAO Data Protection Officer, dunnhumby Limited, 184 Shepherds Bush Road, London, England, W6 7NL.
